## Informal Alumni Meeting

At the moment, the college lacks a formal, established alumni association. However, we manage this association by extending invitations to former students at the college's annual function and other events each year. Alumni from this college work in a variety of sectors, including politics, social work, the CRPF, law enforcement, and business. The college invited alumni and requested their support in the form of motivating speeches and other non-financial involvement in the development of the college.
